The school committee holds a database of all members. Many parents have indicated that it would be nice to receive a members list. (Your child may have missed a class, lost/forgotten homework, or perhaps you would like to arrange carpooling etc. etc.)

The list will have a footnote explaining that it is only to be used for the intended purpose and not to be distributed outside of the school.

The committee would be happy to distribute a list exclusively to those Members of the Danish School, who consent to be on it.

Do you consent to your details being on this list:    please tick    Yes ☐              No ☐

From time to time we take photos of the children, either while they are working or in a whole school set up. Some of these photos are used for promoting the school to the wider community.

Do you to consent to your child being in any such photos, and for the school committee to use them for promotions?              please tick    Yes ☐              No ☐
